

# Rocca Grimalda Castle

## Monferrato Ovadese (AL)

### Castle visit with a glass of wine

At the end of the tour, a glass of organic natural wine produced by Rocca Rondinaria – Castello Rocca Grimalda will be offered.

The wine will be presented, together with a brief introduction to the winery, by the 'young winemakers of noble age,' Giovanna and Lucasio.

An ancient family tradition, four courageous sisters with different dreams but one common goal: to pass on to their children and grandchildren the joy of coming together and bringing an ancient residence back to life.

The castle, built between the 13th and 18th centuries and surrounded by a large garden, leads into a small historic village perched atop a rocky hill. You will be guided in discovering it by one of the owners.
